Dear Brothers, Sisters and Friends,

Fort Wayne is under a condition of moderate drought and excessive heat. We are in great need of rain and water now. Our front and back yards are no longer green lands but yellow desserts. Even though we water the grass every day, they still look thirsty. I wish there is a spring of water falling from sky.

In Bible, Jesus calls himself the "living water". He said in the Gospel of John, "Everyone who drinks this water (physical water) will be thirsty again, but whoever drinks the water I give him will never thirst. Indeed, the water I give him will become in him a spring of water welling up to eternal life."

What Jesus real means here is that the physical water is only for temporary relief, if you want to quench the thirst of your heart, the only hope is "Jesus". Because all the earth can provide is not sufficient to fill the human heart. But the blessings which Christ provides not only fill the heart, but they are too great for any heart to contain. The pleasures of this world are for a few short years, but the pleasures which Christ provides go on into everlasting life.

You are cordially invited to the following activities at CCCFW this weekend.
